The applicant must click on the blue 'Confirm Email' hyperlink, to finalize the set up.

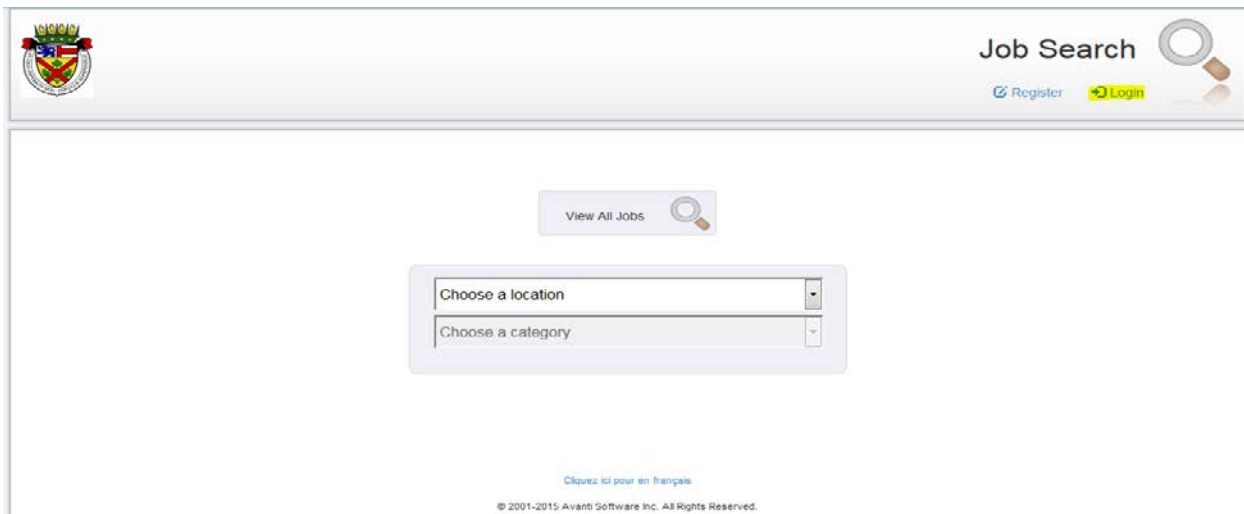

2.0 LOGGING INTO CAREER CONNECTOR

Once the applicant confirms their email, they can now log in to the Career Connector as a registered applicant to finish their profile. To log in click 'Login' on the main home page of the website.

The screenshot shows the top navigation bar with the university crest on the left, the word "Login" in the center, and a magnifying glass icon on the right. Below the navigation bar are two links: "Register" and "Login". The main content area is a light gray box containing two sections. The left section is titled "Create a Career Connector profile" and includes a link "Don't have a Career Connector Profile? Register Now". The right section is titled "Already have a Career Connector profile? Sign In" and contains a login form with fields for "Username" and "Password", a blue "Login" button, and a link "Forgot your password?". At the bottom of the main content area, there is a link "Cliquez ici pour en français" and a copyright notice "© 2001-2015 Avanti Software Inc. All Rights Reserved."

Once 'Login' is selected it will take the applicant to the login page that looks like the below:

The screenshot shows the top navigation bar with the university crest on the left, the words "Job Search" in the center, and a magnifying glass icon on the right. Below the navigation bar are two links: "Register" and "Login". The main content area is a light gray box containing a "View All Jobs" button with a magnifying glass icon. Below this button are two dropdown menus: "Choose a location" and "Choose a category". At the bottom of the main content area, there is a link "Cliquez ici pour en français" and a copyright notice "© 2001-2015 Avanti Software Inc. All Rights Reserved."

The applicant must type the username and password that was just set up when registering. This will take the applicant to the home page and the 'Login' button now becomes 'Logout' and 'Register' becomes 'Profile'.

If the 'Profile' Button is selected it allows the applicant to insert more information into their profile, by menu headings, as you see below:

At this point the applicant is expected to develop a profile and then they can apply for multiple jobs without having to re-enter the same information. Each applicant will need to have their resume uploaded.
