KEY MAP

NOTE:
 Development, Interference with Wetlands and Alterations to Shorelines and Watercourses. Conservation Authority regulations may apply beyond the boundary of 'EP-Environmental Protection' zone. The applicable Authority should be contacted to determine the extent of the Regulated Area. The applicable Authority should be consulted prior to the commencement of development and for site alterations, including construction, re-construction, conversions, grading, filling or excavating to determine whether the applicable Authority's regulations apply. The mapping completed for these regulations should be considered as a visual aid. The text of the regulation takes precedence.
