- C. Collections Report (attached)
- D. Education & Outreach Report (attached)
- E. Marketing Report (attached)
- F. Programming Report (attached)

4. Next Meeting

September 7, 2017

5. Adjournment

Committee Report

To: Warden Mitch Twolan
Members of the Museum Committee

From: Cathy McGirr
Director, Museum & Cultural Services

Date: August 3, 2017

Re: **Children's Programming Policy Report**

Recommendation:

That the revised Children's Programming Policy for the Bruce County Museum & Cultural Centre be approved.

Background:

The Museum is governed by standards outlined by the Ministry of Tourism, Culture and Sport. The 10 standards for community museums represent the minimum requirements for the operation of a good community museum and are necessary in order to qualify for the CMOG (Community Museum Operating Grant).

While this particular policy is not part of the standards this policy is a necessary policy that guides our practice for the educational and children's programming that we deliver. As part of our ongoing efforts to ensure our policies are relevant and up to date, all policies will be reviewed and updated if necessary on a three-year cycle.

The following policy is due for review:

- Children's Programming Policy

Financial/Staffing/Legal/IT Considerations:

There are no financial, staffing, legal or IT considerations associated with this report.

Interdepartmental Consultation:

There has been no interdepartmental consultation regarding this policy.

Link to Strategic Goals and Elements:

Goal #1 - Develop and implement tactics for improved communications

Element E - Clear and consistent messages across the organization

Goal #4 - Find creative new ways to involve all staff in our future

Element C - Invest in expanding the knowledge and skills of our staff.

Museum Strategic Plan Alignment:

No specific alignment to our pillars however, policy review is standard Museum practice.

Written by: Cathy McGirr, Director, Museum & Cultural Services

Approved by:

Kelley Coulter
Chief Administrative Officer

Policy: Children's Programming

Department: Museum

Effective Date: 2009

Revision Date: August 3, 2017

Review Date: July 2020

1. Coverage

This policy applies to all staff at the Bruce County Museum & Cultural Centre (BCM&CC) who are involved in children's programs where parents leave their children in the care of the Museum.

2. Policy Statement

The BCM&CC recognizes the importance of providing programming that creates a safe and pleasant environment and an "Unforgettable" experience for the children attending programs at the Museum. All staff and volunteers will be familiar with the provisions of this policy, and ensure they are followed.

3. Policy

Registration & Fees

For paid programming, children must be pre-registered and their spot must be pre-paid for. Positions are filled on a 'first come, first served' basis and the BCM&CC reserves the right to offer alternative dates if a program is at capacity.

To ensure that we have accurate up-to-date records, contact, and medical information, every registered child must have a Children's Health Form completed prior to the child attending a program. Parents will be asked to fill

out a new form if their current form has expired. Forms can be downloaded from our website (brucemuseum.ca), or can be filled out in person at the museum.

Prior to the child attending the program, forms and cheques should be sent to:

Bruce County Museum & Cultural Centre
33 Victoria St. N
Southampton, ON
N0H 2L0

Registration is not complete until forms and payment have been processed. Charges for NSF cheques will be invoiced back to the guardian along with any other outstanding balances. NSF charges and outstanding balances may result in future programming registrations being declined.

For all children's programs, 24 hours' notice is required for a full refund if a child cannot attend a program for which they are registered. If less than 24 hours' notice is given refunds will not be issued.

Pick up & Drops

For safety reasons, all children must be signed in and out by a guardian. The person who will be picking up the child must be indicated on the sign in sheet prior to pick up. If we have reason to believe that a guardian or another authorized person is under the influence of drugs or alcohol, or impaired in any other way that may affect their care for the child, we will not release the child into that person's custody and the alternative emergency contact will be phoned.

During KidZone Day Camp, children may be dropped off between 8:30 to 9:00am and picked up from 4:30 to 5:00 p.m. Early drop-off and late pick is available for a fee of \$2 per child per occurrence. This must be pre-arranged and pre-paid.

Special Assistance

If your child has an educational assistant (E.A.) or other support worker at school that assists with special requirements for the child, they are required to have someone assist them at museum programs. Parents must make these

arrangements for their children and communicate these arrangements to Museum staff. While the BCM&CC cannot provide special assistance for a child during a program, we can work with the guardian to accommodate any assistants that will attend a program with a child. So we can best serve the children in our care, full disclosure on the child's health form is required at time of registration. Failure to do so may result in interruption to the child's attendance in a program.

Behaviour Management

It is our goal to provide a safe, positive environment for all children. Children who attend our programs are expected to follow behaviour guidelines ("Museum Manners") and interact appropriately. These guidelines are set in place to ensure that all who participate in children's programs will have a fun and enjoyable experience.

It is the responsibility of Museum staff to redirect children's behaviour and respond to inappropriate choices on an individual basis. There is also a responsibility for children to respect each other, respect the property of others and to respect and follow Museum staff.

If a situation arises where a participant threatens the safety of another person or shows disregard for our Museum Manners, we will inform and work with guardians to correct the child's behaviour in order to provide a positive experience for everyone.

Should disruptive behaviour continue, and a suitable alternative is not available, the participant may be dismissed from camp at the discretion of the Education/Outreach Coordinator. The BCM&CC will not be held responsible for any costs associated with a participant's dismissal, including camp fees. Refunds will not be granted if a child is asked to leave our programs due to inappropriate behaviour.

Medication

To ensure the safety of every child, known medical, physical and behavioural conditions must be documented on the child's health form.

All medication your child is taking while at camp should be:

- prescribed by a doctor
- in the original package with instructions for dosage

- given to Museum staff at the beginning of the day for safe storage (with the exception of a prescribed inhaler or Epipen which may be kept on the child's person)
- able to be **self-administered** by the child. Museum staff will dispense and monitor administration of medication

Please advise Museum staff of medication changes so we can monitor and/or expect any changes.

Injury or Illness

If a child becomes ill while at the museum, staff will contact the guardian to pick up the child. Any Museum staff intervening in an injury (major or minor) will follow the guidelines as noted in the Children's Programming Procedures document. Incident reports will be filed by the Museum staff any time an injury occurs.

If the injury or illness is an emergency and/or warrants a trip to the hospital, EMS/9-1-1 will be called and the child will be transported in an ambulance. Museum staff will contact the guardian (or emergency contact if guardian is unreachable) as soon as possible so the parent can meet the child at the hospital. The staff member(s) will submit an incident report within 24 hours.

Food & Allergies

Sometimes a small snack may be provided during a program. However, lunches, snacks and drinks must be sent with the child to the program.

Children's Programming at the BCM&CC has a peanut-free policy, however due to the multiuse nature of our facility we cannot guarantee a nut free facility. The BCM&CC does not accept any liability from nut allergies. Any food or snacks containing nuts may be removed from the programming environment and replaced with a suitable snack.

If a severe food allergy exists for specific children, it must be indicated on the Children's Health Form. All guardians may be notified to adjust content of lunches to reduce the possibility of contaminating play and eating areas. Although we will make efforts for the safety of the child, we cannot guarantee contaminant free facilities or activities for allergies, or necessary restrictions for severe medical concerns.

Photographs

If a guardian has signed the photo release portion of the Children's Health Form, any photographs taken of his/her child while at a program may be displayed or publicized in print or on the web at a later date.

Items from Home

Children are permitted to bring water bottles, food, sunscreen and clothing items as appropriate for the program they are participating in. We encourage parents to put their child's name on all belongings to reduce mix-ups and lost items.

Children are not permitted to bring weapons of any kind to the Museum, and the use of electronic devices is not permitted while a program is taking place. During programs, we discourage bringing toys or other non-essential personal belongings, as these items may be lost during their visit.

The BCM&CC is not responsible for children's personal belongings if lost, stolen, or damaged. The Museum maintains a "Lost and Found Bin" which is accessible to guardians. Items left in this bin for more than one month will be donated to charity.

Inclement Weather

Extreme weather, (e.g. storms, extreme heat etc.) may result in adapted programming, or in some cases cancellation of our programming, including field trips.

Emergencies

In the case of an emergency, Museum staff will be notified and the appropriate action will be taken in accordance with the Bruce County Emergency Code procedures. These emergencies include but are not limited to: Fire, Medical Emergency, Building Evacuation, Missing Person, Violent Situation, and Severe Weather.

Museum staff are notified when a children's programming is happening, and must be aware that emergency situations may occur where their assistance is required and expected. Museum staff will make themselves available to assist where needed, even to the point of taking charge if the scope of the incident requires it.

Field Trips

Bussing

Field trip departure times may vary depending on the location of the field trip. To avoid delays, parents/guardians are encouraged to have their children signed in at least 20 minutes prior to the departure time. No stops or deviations from field trip routes can be made to accommodate late parents. On the bus, children are expected to stay seated and act appropriately, adhering to all instructions by the bus operator as well as any staff or volunteers to ensure everyone's safety.

T-Shirts

During field trips, each child will be issued one t-shirt to be returned at the end of the day. This shirt must be worn for the entirety of the trip to help staff identify children.

Child Protection

In accordance with section 72 of the Child and Family Services Act, 1990 (CFSA), any person who suspects that a child might require protection from abuse, neglect or other forms of maltreatment, has a responsibility to report those concerns immediately and directly to a child welfare agency. In Grey and Bruce Counties, Bruce Grey Child & Family Services must be contacted (519.371.4453 or 1.855.322.4453.) Their telephone lines are open 24 hours a day, 7 days a week.

The CFSA is Ontario legislation that is enforced by the Ministry of Children and Youth Services. The primary purpose of the CFSA is to promote the best interests, protection and well-being of children.

Policy Review

The Children's Programming Policy will be reviewed every three years by Management or when deemed necessary for amendments. This Policy may not be changed without the approval of Bruce County Council, the governing authority of the Corporation of the County of Bruce.

Re: Archives Q2 Report

Recommendation:

The Archives Q2 Report, August 3, 2017 is for information.

Background:

The information in this report covers Q2 2017.

	Q1	Q2	To-date	Notes
Donations	18	24	42	
Municipal Transfers	0	3	3	Transfers were received from Arran-Elderslie, Saugeen Shores and the County of Bruce.
County			1	
Lower Tier			2	
Researchers	160	206	366	Of the 206 researchers who visited in Q2, 47 were new researchers at the BCM&CC, 55% were from Bruce County, 27% other parts of Ontario, 13 % other provinces in Canada and 5% the USA
Research Requests	12	16	28	47 hours on research requests in Q2
Visitors other than Researchers	525	608	1133	Kept busy with inquiries and visitors to the BCM&CC who come and see what happens in the Archives.
Phone	187	204	391	
Email/Mail	111	151	262	
Walk ins	227	253	480	
Photo Orders	4	2	6	There were a total of 37 images purchased by two clients in Q2

PastPerfect Online

We have been working diligently on our collections database website. New items are added every other week and we currently have over 8,000 records online! Our researchers are appreciative of these records being available as can be seen in the comment below:

"Hi, Just wanted to tell you how thrilled I am to see this page. I am doing genealogy and looking for more about my Canadian roots and mostly about the Komph and McGaw families. My paternal great grandmother was Mary Helen McGaw. I live in PA and am planning a trip to come visit and do more research! Thanks for having this for me to add to my research." Kim

Financial/Staffing/Legal/IT Considerations:

There are no financial, staffing, legal or IT considerations associated with this report.

Interdepartmental Consultation:

Consultation with Corporate Services for records transfers and websites has taken place.

Link to Strategic Goals and Elements:

Goal #3 - Find Creative new ways to engage our public

Element C - Make the County fully accessible to the people through access to information.

Re: Collections Update

Recommendation:

The Collections Update, dated August 3, 2017, is for information.

Background:

Exhibits

Throughout the spring and early summer months, Collections has been focused on a variety of projects including summer temporary exhibits and the new permanent gallery Last Frontier. Toys: The Inside Story arrived from Ithaca, New York at the beginning of May, installed in the Feature Gallery, and opened on May 18, 2017. In the Bruce Gallery, Collections installed As the Crow Flies, which opened May 13, 2017. This show features 20 pieces of textile art that were created by either multiple artists or using multiple media and celebrate Canada's sesquicentennial. Both Toys: The Inside Story and As the Crow Flies will be open until Labour Day.

Mid-June saw the opening of the new permanent gallery Last Frontier, which focuses on early life in Bruce County from approximately 1850 until the turn of the 20th Century.

The show features 47 artifacts, and contains special programming areas focused on early domestic activities and skilled trades.

Deaccessioning and Auction

Over the last few years Collections has been making a concerted effort to review its holdings and to hone the museum's Collection by making recommendations of items to be deaccessioned. Thus far in 2017, over 200 Collections items have been approved for deaccessioning - of these only one item went to auction, along with Archival materials also approved for deaccession. The auction was held over the Victoria Day weekend at Sydenham/Rockford Auction. From this sale, the museum received \$375.87, which goes into a reserve account. The remainder of the de-accessioned items were either given to Education/Programming or destroyed due to poor condition as per Museum practice. The de-accessioning process also links together with the re-organization of objects within Artifact Storage, which is optimizing the use of space within the Museum.

Off-Site Storage

Beginning late last summer and autumn the relocation and deaccessioning of items in storage have been a priority for Collections staff, with the assistance of Maintenance staff. To date items have been evaluated, re-housed and cleaned if required, and moved to the new location in Walkerton. Items being moved are large and heavy in nature and are comprised of telephone switchboards, furniture, industrial equipment, and agricultural implements. To date, near 200 objects have been relocated. Using three staff members, the remaining work will take approximately fourteen to twenty hours to complete.

Financial/Staffing/Legal/IT Considerations:

There are no staffing, financial, legal or IT considerations associated with this report.

Interdepartmental Consultation:

There were no interdepartmental considerations.

Re: Education/Outreach Report

Recommendation:

The Education/Outreach Report, dated August 3, 2017 is for information.

Background:

School Programming

June was field trip month, which means the Bruce County Museum & Cultural Centre was a revolving door for excited school groups! The Museum hosted (or visited) 21 different school groups from locations including Saugeen Shores, Sauble Beach, Owen Sound, Chesley, Durham, Hanover, Mildmay, Kincardine, Teeswater, Lucknow, Wiarton, Cape Croker, Lion's Head, and Tobermory. 566 students enjoyed our programs such as A Day in the Life of a Pioneer Child, First Nations, The Great Outdoors, and LEGO®. Students and teachers love the hands-on learning that happens here, and especially loved interacting with our new temporary exhibit, '*TOYS: The Inside Story*'. Whether students were discovering macro invertebrates in Fairy Lake, building a protective casing for an egg out of LEGO®, or making butter in our historical log house, their Museum experience was an unforgettable one!

Students from Sacred Heart in Teeswater building a tower inspired by Mayan Temples.

Grade 5/6 students from Walkerton District Community School learn about the Ojibway clan system.

Eco Explorers Bus Trip

On June 2nd, 25 children ages 7-12 ventured out to the Laurel Creek Nature Centre in Waterloo for our PA Day Eco Explorer Bus Trip. Some of these students had participated in Eco-Explorers in the past but for many this was their first time attending a trip like this. It was a fun-packed day with new experiences for everyone. The children loved getting to touch a corn snake and a Madagascar cockroach in the nature centre. Out at the pond, they learned how to safely and respectfully net and release wildlife such as frogs, tadpoles and crayfish, and in the forest they learned how to search for salamanders under fallen logs. The Eco Explorers returned with some new nature knowledge, new friends and great memories! Eco Explorers is presented by Ontario Power Generation.

Eco Explorers get up close and personal with pond life at the Laurel Creek Nature Centre pond.

Eco Explorers held friendly critters like this corn snake.

Te@m (Teens Engaged at the Museum)

On July 10th and 11th the BCM&CC hosted a two-day Leaders in Training workshop for 7 youth ages 12-16. This workshop helped the participants gain confidence as they explored what it means to be a leader, participated in an exclusive afternoon of training with Authentic Voices Productions, and completed games and challenges to build the skills known as the "4 Cs": communication, collaboration, creativity and critical thinking. It was a fun way for participants to meet new friends, while bettering themselves and boosting their resumes! Te@m is presented by the Southampton Rotary Club.

Recommendation:

The Marketing Report, dated August 3, 2017, is for information.

Background:

Exhibit Opening - TOYS: The Inside Story

The feature exhibit for the summer of 2017 is 'TOYS: The Inside Story'. This interactive and hands-on exhibit invites visitors to peek inside some popular toys to explore linkages, cams, pulleys and circuits. The exhibit was developed by the Montshire Museum of Science. The exhibit opening on May 18 was emceed by an enthusiastic nine year old named Corbin. He shared his excitement about the exhibit pointing out his favourite components, and thanked exhibit sponsors, Ontario Power Generation and 101.7 The One. There were 87 Museum Members attending the exclusive sneak peek opening event who were entertained with balloon animals, and games like Giant Jenga and Connect Four, while enjoying munchies. The exhibit has been a popular draw with local families and visitors to the area generating great feedback and sharing on social media.

Museum Volunteers added to the fun portraying popular children's characters.

Corporation of the County of Bruce

2017 Seniors Fair

On June 7, the Museum attended the annual United Way Seniors' Fair in Owen Sound at the Bayshore Community Centre. At this outreach opportunity, the Museum was situated beside Grey Roots Museum & Archives to promote reciprocal memberships. The Museum spoke with close to 250 visitors who were interested in coming to the Museum and participating in programming provided.

Exhibit Opening - The Last Frontier

The latest permanent exhibit to open at the Museum is "The Last Frontier". This exhibit pays homage to the County's Pioneers and includes two community programming counters including; the "Survival at Home" counter that provides an area to display domestic activities and the "Resourceful Individual" counter offers an area to demonstrate woodworking and trade activities. The exhibit opening was held on June 14, Robin Hilborn spoke of his research and participation in the exhibits creation, exhibit sponsors Enbridge and 98 The Beach were also in attendance. The 67 Museum Members attending the exclusive sneak peek opening event were entertained with music by the Vaudevillian band, and live demonstrations, while enjoying appetizers in this 'barn party' themed event.

Re: Programming Report

Recommendation:

The Programming Report, dated August 3, 2017, is for information.

Background:

Authentic Voices Productions

On Saturday June 10th Authentic Voices Productions (AVP) presented their first dramatic Vignettes in the exhibit halls of the Museum. The troupe was fantastic, bringing Bruce County's 150 years of history to life through song, dance and live theatre! AVP partnered with the Bruce Sustainability Network and the Museum to obtain an Ontario 150 Partnership Grant that has allowed this group to be on the floor engaging with visitors in the Museum 3 days a week during July and August.

Six young actors in period costume in the General Store Exhibit.

The Geometry of Music Part 3 of 4

Mathematician Mike Sterling presented part three in his lecture series 'The Geometry of Music' and blew the audience away with his presentation of the intersection of math and sound with his 'singing sculpture' the Bernoulli Involute. The lecture was followed by a concert of 4 professional musicians who interpreted Mike's Version of the Song 'Going Home' which he played on the Bernoulli Involute.

Mike Sterling is pictured with the Bernoulli Involute and an Oscilloscope in the background to show the audience the frequency of the sound waves.

Great Lakes Shipwrecks of Canada's 150th

On June 20th Husband and Wife Duo Cris Kohl and Joan Forsberg presented their underwater photography and expertise regarding the maritime history of several amazing shipwrecks of the Great Lakes that all have ties to the Canada's formative year, 1867.

Bimaadiziwin Workshops

Three workshops were held at the Museum in partnership with the Sweet Grass and Thistles Group who are based out of the Wesley United Church on Saugeen First Nation and the Presbyterian Church in Southampton. The first two workshops were led by Marilyn Root, who is an Anishnabemowin Teacher, included the building of a dream catcher and an introduction to Anishnabemowin language and cultural teachings. The third workshop included the screening of 'The Secret Path' by Gord Downie which depicts the tragic story of Chanie Wenjack and his escape from Residential School in Northern Ontario.

Sweetgrass and Thistles Group who partnered with the Museum to bring the Bimaadiziwin workshops to the public.

On Floor Programming

In the new 'Last Frontier' exhibit, members of the Grey-Bruce Woodturners Guild are demonstrating woodturning on two small lathes at the programming counter on Wednesdays throughout July and August. This exhibit has been created with spaces to allow for interactive programming and demonstrations by community partners for Museum visitors.

Summer Programming:

- First Nations Cultural Demonstrations - Tuesdays & Thursdays 1 p.m. - 4 p.m.
Proudly presented by Bruce Power
- Special Guest Wednesdays - Wednesdays 11 a.m. - 3 p.m.
Proudly presented by Colonial Motel
- LEGO® Fridays - 10 a.m. - 12 p.m. and WeDo Workshops at 10:30 a.m.
Proudly presented by the Society of Energy Professionals

- Women's Institute Fridays with cookies, lemonade and demonstrations at the log buildings - 11 a.m. - 3 p.m.
- Saturday Afternoon at the Movies - 2 p.m.
- Celebrating Canada with Film - Sundays 2 p.m.
- Speaking of Wildlife - July 10, August 7, 21, September 4 - 2 p.m.
Proudly presented by Bruce Power
- Phil Chadwick presents 'Tom Thomson as a Weatherman' - August 44 - Doors Open 7:00 p.m. Lecture at 7:30 p.m.

Financial/Staffing/Legal/IT Considerations:

There are no financial, staffing, legal or IT considerations associated with this report.

Interdepartmental Consultation:

As an initiative under the Joint programming strategy between the Library and Museum departments, a travelling display pertaining to Bruce County's First Pride Parade is being developed and toured throughout several Bruce County Library Branches and will end at the Museum where a flag signed by staff and supportive patrons will be entered into the BCM&CC Collection.
