

BRUCE COUNTY RAIL CORRIDOR

EXPRESSION OF INTEREST FOR A NEW FENCE ALONG THE FORMER CNR CORRIDOR FOR 2023

The Bruce County Rail Trail Fencing Sub-Committee will be setting priorities for the installation of fence along the former CNR corridor for 2023. This corridor starts at the Huron County boundary north of Clifford and extends through Mildmay, Walkerton, and Paisley to Port Elgin and southerly to the BNPD. By way of this notification the Sub-Committee will gain information to set priorities where, and if, new fence is to be installed.

If your fence along the corridor is significantly deteriorated and you wish to be considered for a new fence, we ask that you complete this form and either fax or e-mail a scanned copy to: Bruce County Transportation and Environmental Services Department, Box 398 30 Park St. Walkerton Ontario, N0G 2V0 Telephone: 519 881-2400 Fax: 519 507 3030. transportationinfo@brucecounty.on.ca

Applications must be submitted by 4:00pm Thursday October 27, 2022

NAME: _____

MAILING ADDRESS: _____

POSTAL CODE: _____ TELEPHONE NO. _____

EMAIL ADDRESS: _____

MUNICIPALITY: _____ LOT: _____ CONC: _____

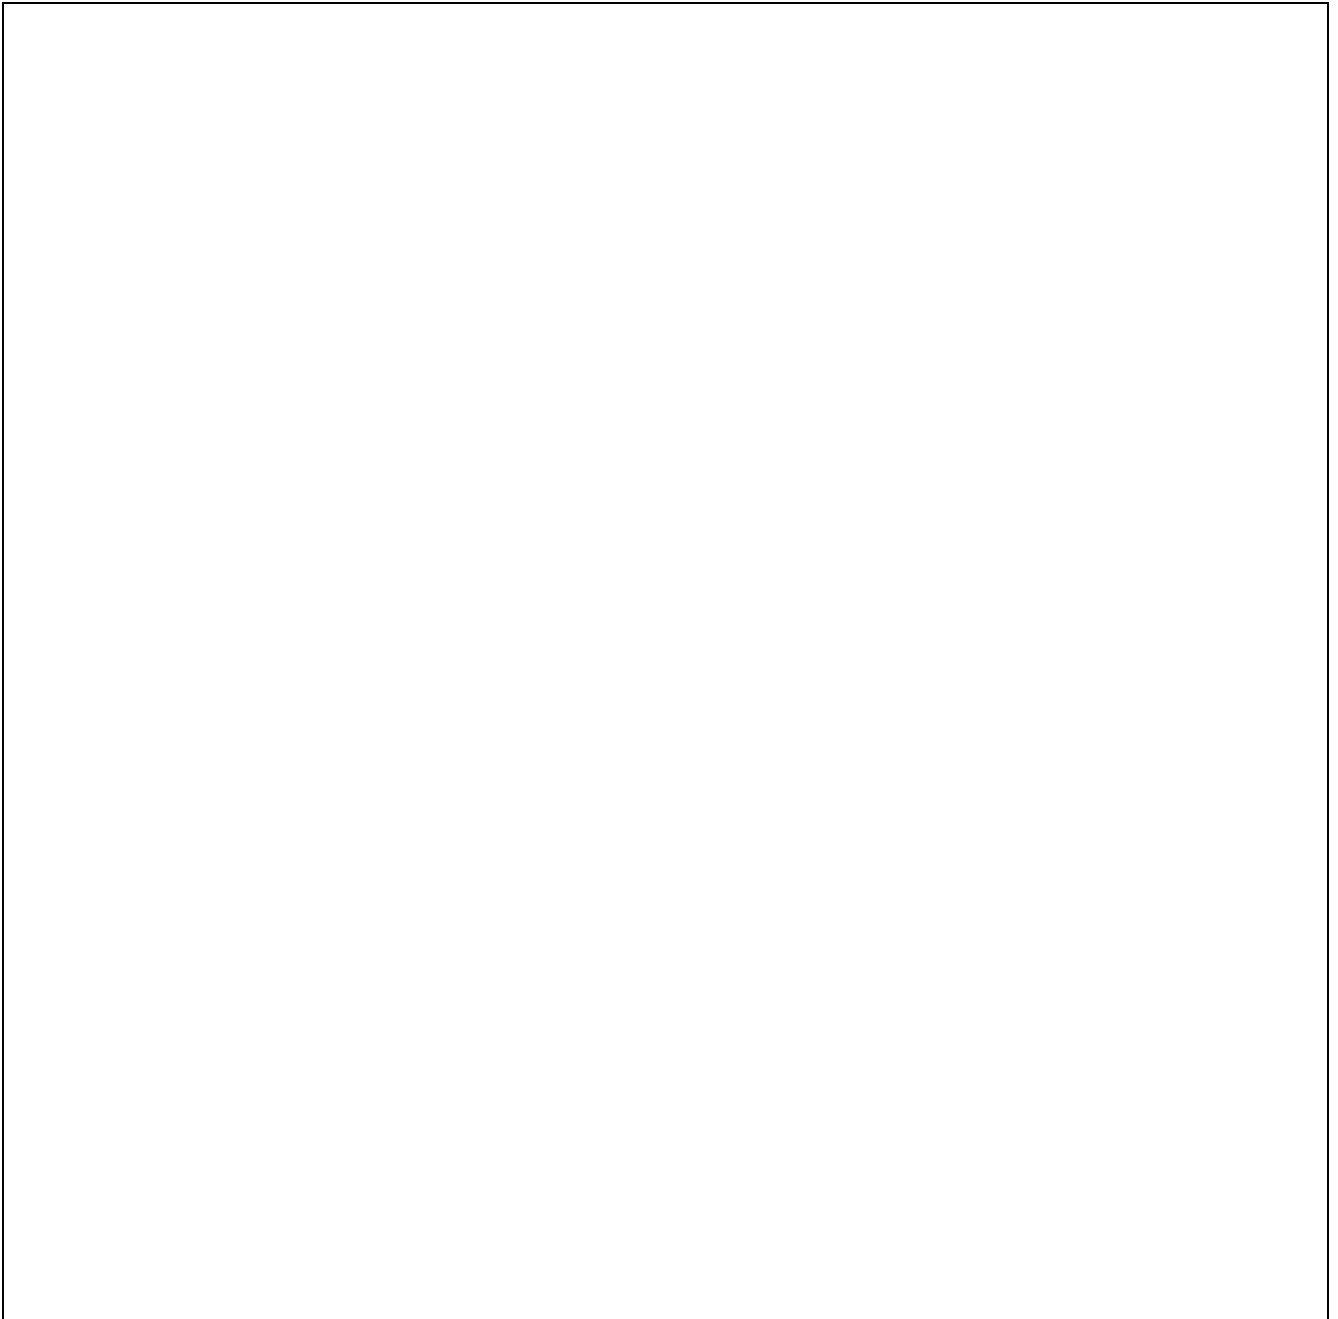

- 1) Please describe the condition of the existing fence along the CNR corridor, which you wish to have replaced. _____

- 2) How long have you owned this parcel of land? _____
- 3) Please complete the sketch on the reverse of this page to indicate the desired location of a new fence along the CNR corridor.
- 4) What has your land, adjacent to the CNR corridor, been used for in the last five years?

- 5) Why do you feel that your fence should be a high priority to replace? _____

- 6) The new fence would generally be located on the property line and would be a standard agricultural fence.
- 7) If you are a successful applicant in obtaining a new fence:
 - a) the County of Bruce will contact you to obtain further specific information.
 - b) are you prepared to accept debris from the fence bottom on your property? _____

- 8) Upon successful completion of the new fence, would you be prepared to undertake normal maintenance and repair to the fence for the next twenty (20) years? _____
- 9) Any issue with respect to access across or onto the CNR corridor should be directed to the Bruce County Transportation and Environmental Services Department.
- 10) Please complete the following sketch and include the following information:
- Municipality, lot and concession and farm boundaries;
 - North marker;
 - Location of CNR corridor;
 - Location of house and buildings within 150m of the corridor;
 - Distance from the corridor to the buildings;
 - Length of new fence;
 - Swamp, bush and/or obstructions adjacent to the corridor;
 - Indicate use of the lands next to the corridor.

A large empty rectangular box with a thin black border, intended for the respondent to draw a sketch of the property and CNR corridor as requested in question 10.
