

COUNTY OF BRUCE

NOTICE OF IMPENDING LANE CLOSURES

GEORGE GRANT BRIDGE REPAIRS

This notice is being issued to advise residents and local business owners of impending lane restrictions on Bruce Road 11 to facilitate repairs to the George Grant Bridge which spans the Saugeen River in the community of Paisley.

It is anticipated that the lane restrictions will begin in early September and extend for a period of approximately 2 months, concluding in mid-November. One lane will remain open for vehicle access at all times. The access to Water Street, which is located immediately west of the bridge, will be closed for the duration of the project.

The sidewalk located on the north side of the bridge will be closed to pedestrians when the adjacent lane is closed to through traffic, but will be accessible during other periods.

For further information on this project, please contact the project engineers:
