By-law Number 2024-004

A by-law to establish fees and charges for The Corporation of the County of Bruce

Section 391 (1) of the Municipal Act, 2001, authorizes a municipality to impose fees or charges on persons:

- a. For services or activities provided or done by or on behalf of it;
- b. For costs payable by it for services or activities provided or done by or on behalf of any other municipality or any local board; and,
- c. For the use of its property, including property under its control.

Section 398 (1) of the Municipal Act, 2001, provides that fees and charges imposed by a municipality or local board on a person constitute a debt of the person to the municipality or local board respectively.

Section 398 (2) of the Municipal Act, 2001, authorizes the Treasurer of a local municipality, may, and upon the request of its upper-tier municipality, if any, or of a local board whose area of jurisdiction includes any part of the municipality shall, add fees and charges imposed by the municipality, upper-tier municipality or local board, respectively, to the tax roll for the following property in the local municipality and collect them in the same manner as municipal taxes:

1. In the case of fees and charges for the supply of a service or thing to a property, the property to which the service or thing was supplied.
2. In all other cases, any property for which all of the owners are responsible for paying the fees and charges;

Section 69 (1) of the Planning Act, 1990, as amended, provides that a municipality may establish a tariff of fees for the processing of applications made in respect of planning matters.

The Council of The Corporation of the County of Bruce deems it expedient to pass a by-law establishing certain fees and charges.
