By-law Number 2025-054

A by-law to establish fees and charges for the Corporation of the County of Bruce

Section 391 (1) of the Municipal Act, 2001, authorizes a municipality to impose fees or charges on persons:

- a. For services or activities provided or done by or on behalf of it;
- b. For costs payable by it for services or activities provided or done by or on behalf of any other municipality or any local board; and,
- c. For the use of its property, including property under its control.

Section 398 (1) of the Municipal Act, 2001, provides that fees and charges imposed by a municipality or local board on a person constitute a debt of the person to the municipality or local board respectively.

Section 398 (2) of the Municipal Act, 2001, authorizes the Treasurer of a local municipality, may, and upon the request of its upper-tier municipality, if any, or of a local board whose area of jurisdiction includes any part of the municipality shall, add fees and charges imposed by the municipality, upper-tier municipality or local board, respectively, to the tax roll for the following property in the local municipality and collect them in the same manner as municipal taxes:

1. In the case of fees and charges for the supply of a service or thing to a property, the property to which the service or thing was supplied.
2. In all other cases, any property for which all of the owners are responsible for paying the fees and charges;

Section 69 (1) of the Planning Act, 1990, as amended, provides that a municipality may establish a tariff of fees for the processing of applications made in respect of planning matters.

The Council of The Corporation of the County of Bruce deems it expedient to pass a by-law establishing certain fees and charges.

The Council for the Corporation of the County of Bruce enacts as follows:

1. A listing of fees and charges for County services to be charged for services provided by the County of Bruce are attached and form part of this by-law:

3. Fees charged by the Grey Sauble Conservation Authority, Saugeen Valley Conservation Authority and Maitland Valley Conservation Authority shall be applied and collected in addition to the fees listed in Schedule C (Planning and Development) of this by-law.
4. Any portion of a fee or charge that remains unpaid beyond the date fixed for payment may bear interest at the rate of 1.25% after 30 days and each month until such fee or charge is paid in full.
5. A Director may impose a new fee or charge not provided for in a Schedule attached to this by-law, but still under the provisions of the *Municipal Act*, when a new program or service is being offered by the County. The new fee or charge imposed by the Director shall:
 - a. not exceed the County's actual cost to deliver the new program or service; and
 - b. shall be included in a Schedule of the Fees and Charges By-law, as soon as is practicable.
6. The fees and charges imposed by the County as outlined in the Schedules to this by-law may be increased, decreased or waived completely by a Director, to which the department fee or charge relates, in the following circumstances:
 - a. where there is a material change to the program or service being offered;
 - b. where a fee is set or charged incorrectly by way of an administrative error.
7. That any By-law containing a fee or charge that is inconsistent with this By-law is hereby amended with the fee or charge set out in the Schedule attached hereto and forming part of this By-law.
8. Applicable HST and taxes may change from time to time as determined by the Director of Corporate Services.
9. By-law number 2025-002 is hereby repealed.
10. This by-law shall come into force and effect on the 1st day of January, 2026.
