

Fischer Bridge

Fischer Bridge will be closed for rehabilitation Tentatively for twenty-eight calendar days between July 2024 to October 2024. Thank you for your patience as we complete this important infrastructure work in Bruce County.

Notice:

Bridge rehabilitation will be taking place in 2024 at Fischer Bridge on Bruce Road 6 East of Teeswater, Ontario. Motorists can expect a bridge closure, with traffic control measures in place for twenty-eight calendar days between July 2024 and October 2024.

The section of Bruce Road 6 East described above will remain open to local traffic only and there will be a detour established for through-traffic. Signage will be in place during the bridge closure. Users are asked to be patient and drive safely as the Contractor works to complete crucial repairs to the bridge.

AJN Builders Inc. has been awarded the Fischer rehabilitation repair work. BM Ross and Associates are conducting the Contract administration and inspection of the work.

Thank you for your patience and understanding as we complete this important infrastructure work in Bruce County
