SPECIFIC CONDITIONS

DOCUMENTS REQUIRED -

- a) A Ministry of Transport of Ontario (MTO) permit
- b) Details and sketch of axle spacing, tire sizes and axle loads
- c) **For gross vehicle weight exceeding 120,000 kg and/or 5.0m in width, the carrier must provide the County with an evaluation by a qualified Engineer of the capacity of the bridges along the proposed route. Or, in the alternative, Bruce County will access information from an Engineering Consulting firm and will invoice the applicant for the cost.**
- d) This Permit is valid only on roads under the jurisdiction of the Bruce County Highways Department.
- e) It is the mover's responsibility to ensure the route selected is suitable, including determining intersection and corner turning radius, and notifying any utility companies. Where heights exceed 4.15m, approval is required from utility companies. See Appendix A on the Bruce County website.
- f) The County reserves the right to direct the transporter to an alternative route. PLEASE SEE [PREFERRED ROUTE TO BRUCE POWER](#).
- g) A joint pre and post road inspection may be requested based on load distribution.
- h) The Permit holder assumes all responsibility for damages that may be caused to the highway due to driving, operating or moving of any such heavy vehicle, load, object or structures. (HTA RSO 1990 c. H8 s. 110(5)). This includes public utility overhead wires, structures, or encroachments.
- i) During spring thaw conditions, weight restrictions/load posting on several roads under the jurisdiction of Bruce County Transportation & Environment Services must be adhered to. Refer to www.brucecounty.on.ca for a map of weight restrictions/load posted roads.
- j) Move must take place during daylight hours, half hour after sunrise to half hour before sunset. Moves are not permitted on Saturdays, Sundays and Statutory Holidays, and in congested areas between the hours of 7:00 a.m. to 9:30 a.m. or between the hours of 4:00 p.m. to 6:30 p.m.
- k) Moves must not be carried out in periods of limited visibility or upon any accumulation of snow on the roadway or if the continuous use of windshield wipers is required.
- l) No move can take place without an authorized permit. Permit is non-transferable.
- m) This Permit must be carried in the vehicle and produced on demand of a Police Officer or an Officer appointed for carrying out the provisions of the Highway Traffic Act.
- n) Vehicles and/or loads in excess of dimensions prescribed under Section 109 of the Highway Traffic Act shall be marked with bright red or orange warning flags of not less than 40 cm. square and shall be mounted to the extremities of the vehicle or load. The flag(s) must be kept in good and clean condition so as not to diminish their effectiveness.
- o) Convoy moves are not permitted. Each load must be separated by at least 45 minutes. When on route, a minimum spacing of 10km is required.
- p) Farm Vehicle Exemption - Over-dimensional farm vehicles are exempt from permit requirements when the vehicle is self-propelled or drawn by a farm tractor.
- q) **Allow 5 business days for the permit to be issued by the Transportation & Environmental Services Department.**

ESCORT REQUIREMENTS: A PRIVATE ESCORT WARNING VEHICLE IS REQUIRED WHEN VEHICLE AND LOAD IS:

LENGTH: From 36.76 m to 45.75 m - one escort vehicle required at rear
Greater than 45.75m – two escort vehicles required.
Overhang greater than 4.65 m - one escort vehicle required on the rear of load.

HEIGHT: 4.87 m and greater - one escort vehicle (pole car) required.

WIDTH: From 4 m to 4.59m – one escort vehicle Greater than 4.6m – two escort vehicles
The “Certified Superload Escort Program” is recognized by the County of Bruce.
