

NOTE:
 Development, Interference with Wetlands and Alterations to Shorelines and Watercourses.
 Conservation Authority regulations may apply beyond boundary of 'EP - Environmental Protection' zone.
 The applicable Authority should be contacted to determine the extent of the Regulated Area. The applicable Authority should be consulted prior to the commencement of development and /or site alterations, including construction, re-construction, conversions, grading, filling or excavating to determine whether the applicable Authority's regulations apply. The mapping completed for these regulations should be considered as a visual aid. The text of the regulation takes precedence.
 Paisley is covered by Ontario Regulation 169/06 Saugeen Conservation Authority.
