Person in Charge of Harvesting of Trees is required to provide 2 Business Days Written Notice to the Officer prior to start date.

Tree Marker Information:

Trees Marked By:

Mailing Address: _____

Phone: _____

Paint Colour:

Date Marked:

All trees to be cut shall be marked with a paint spot on opposite sides of the tree at a height no lower than 1.37 metres above the highest point of ground at the base of the tree. The mark shall be at least 8 cm in diameter for hardwood sawlogs / conifer poles or sawlogs and a slash. 20 cm long for fuelwood/ conifer sawlogs / pulp. A similar mark shall be placed at the base of the tree below the saw line and extending to the ground. All trees shall be marked facing the same direction, unless the terrain requires a change in direction, in which case the marking will proceed consistently with the terrain.

Description of area

Indicate North

Map must be legible and include:

- Preferred entry points for inspection
- Location/name of surrounding roads
- Location of buildings on property
- Forested areas and harvest areas
- Log landing(s)
- Power lines and Municipal ditches

It is requested that if loggers are working near or adjacent to power lines that they contact the local Hydro Utility Company for assistance to prevent an accident and any damage that may occur to hydro lines and equipment due to a logging accident.

Please indicate if the property is enrolled in:	Yes	No
Conservation Land Tax Incentive Program		
Managed Forest Tax Incentive Program		
If the landowner is selling standing timber to a logger for harvesting has:	Yes	No
A contract been signed between landowner and contractor?		
The contractor provided proof of WSIB coverage for employees / liability insurance coverage?		
The contractor provided proof of cutter/skidder certification for all employees and themselves?		
The main skid trail been delineated?		
Arrangement been made to harvest the fuelwood from tree tops?		

The County of Bruce recommends that the best mechanism to ensure long-term forestry health and long-term forest revenue is to undertake a management plan prepared for your forest by yourself or by a qualified individual or firm, prior to undertaking a commercial harvest, and that harvesting proceed pursuant to a permit issued under schedule “C” of By-Law 2025-030. however, the By-Law does still permit a “Diameter Limit” cut to be undertaken, in accordance with the minimum diameter limits as set out in the By-Law. I hereby acknowledge that I have the option of undertaking a forestry management plan and hereby authorize _____(insert name of contractor, if applicable) to undertake a diameter limit cut in accordance with minimum diameter limits as set out in the By-Law.

I agree that operations will be in accordance with the provisions of forest conservation By-Law no. 2025-030 of the Corporation of the County of Bruce and that I am familiar with the contents and requirements of this By-Law. I further agree that any tree harvested will meet or exceed the required circumference limits at the highest point of measurement as shown on schedule “A” to By-Law no. 2025-030.

Both Signatures are required if a logger is being used to carry out the harvesting of trees.

Signature of Owner

Signature of Contractor (if applicable)

Date

I understand that under the authority of this By-Law and the Municipal act, 2001, an appointed officer can enter the described property for the purposes of undertaking an inspection.

Personal information contained in this form is collected under the authority of [subsection 135 \(7\) of the Municipal Act, 2001](#), as amended, and will be used in the administration and enforcement of By-law 2025-030. Questions about the collection of personal information may be addressed to the Manager of Environmental Services at 30 Park Street, Walkerton, ON N0G 2V0, 519-881-2400.
