VIRTUAL VISIT OPPORTUNITIES AT BRUCELEA HAVEN

Dear Residents, Family and Friends,

To better meet the needs of our residents, we are offering virtual visiting. This will allow more opportunity for residents and their loved ones to connect. All virtual visits will be booked through our Simply Booking website. We ask that families select only one time slot per week to allow all residents and their loved ones the opportunity for a virtual visit.

To access the Simply Booking website please use the hyperlink below or search <https://blhbooking.simplybook.me/v2>
